

*CURRICULUM VITAE*

**LEON MORGENSTERN, MD**

**PERSONAL DATA:**

*Year/Place of Birth:* 1919/ Pittsburgh, Pennsylvania  
*Marital Status:* Married; Laurie Mattlin (1967)  
*Children:* David Ethan  
*Office Address:* Cedars-Sinai Medical Center  
Becker Building  
8700 Beverly Boulevard, #216  
Los Angeles, CA 90048  
*Office Phone:* 310-423-1630  
*Office Fax:* 310-423-4599  
*E-mail:* morgenstern@cshs.org

**EDUCATION:**

<b>Year</b>	<b>Degree</b>	<b>Institution</b>
1936-1937		College of the City of New York, New York
1937-1940	<i>Bachelors of Arts</i>	Brooklyn College, Brooklyn, New York, <i>Magna Cum Laude</i>
1940-1943	<i>Doctor of Medicine (MD)</i>	New York University College of Medicine <i>Second Alpha Omega Alpha Award</i>

**POST-DOCTORAL TRAINING:**

1943-1944	Rotating Internship	Queens General Hospital, Jamaica, New York
1947-1948	Fellowship & Assistant Residency in Pathology	Queens General Hospital, Jamaica, New York
1948-1952	Surgical Resident	Queens General Hospital, Jamaica, New York

**BOARD CERTIFICATION:**

April 1953 American Board of Surgery

**MILITARY SERVICE:**

1944-1946 Army Medical Corps, Discharged as Captain, M.C., U.S.A.

**ACADEMIC APPOINTMENTS:**

1959-1960 Assistant Professor of Surgery, Albert Einstein College of Medicine, New York, New York

1960-1970 Assistant Clinical Professor of Surgery, UCLA School of Medicine, Los Angeles, California

1970-1973 Associate Clinical Professor of Surgery, UCLA School of Medicine, Los Angeles, California

1974-1985 Clinical Professor of Surgery, UCLA School of Medicine, Los Angeles, California

1985-1990 Professor in-Residence IV, UCLA School of Medicine, Los Angeles, California

1990-2005 Adjunct Professor of Ethics, University of Judaism, Los Angeles, California

1990-present Emeritus Professor of Surgery, UCLA School of Medicine, Los Angeles, California

**HOSPITAL STAFF AND CLINIC APPOINTMENTS:**

1953-1959 Attending Physician, Cedars of Lebanon Hospital, Los Angeles, California

1954-1959 Attending Physician, Mount Sinai Hospital, Los Angeles, California

1959-1960 Attending Physician, Bronx Municipal Hospital Center, Bronx, New York,

1960-1973 Director of Surgery, Cedars of Lebanon Hospital, Los Angeles, California

1960-1973 Attending Physician, Mount Sinai Hospital, Los Angeles, California

1970-1988 Director of Surgery, Cedars-Sinai Medical Center, Los Angeles, California

1990-2005 Director, Center for Healthcare Ethics, Cedars-Sinai Medical Center, Los Angeles, California

2005- 2007 Emeritus Director, Center for Healthcare Ethics, Cedars-Sinai Medical Center, Los Angeles, California

2007- Present Senior Advisor, Center for Healthcare Ethics, Cedars-Sinai Medical Center, Los Angeles, California

**OTHER APPOINTMENTS:**

- 2000-Present Associate Editorship, Surgical Innovation.
- 1987-Present Editorial Reviewer, Archives of Surgery
- 1984-1988 Associate Editor, The Mount Sinai Journal of Medicine
- 1990-1996 Editor, Cedars-Sinai Department of Surgery Newsletter, "The Cutting Edge"
- 1997-1999 Chairman, Mural Committee, Jewish Contributions to Medicine: A Work of Art & History, Cedars-Sinai Medical Center, Los Angeles, California

**MEMBERSHIP IN PROFESSIONAL SOCIETIES & ORGANIZATIONS:**

- 1943-Present Alpha Omega Alpha
- 1956-Present American College of Surgeons
- 1958-Present Los Angeles Surgical Society
- 1961-Present Society for Surgery of the Alimentary Tract
- 1967-Present American Gastroenterological Association
- 1970-Present Pacific Coast Surgical Association
- 1970-Present American Medical Association
- 1970-Present California Medical Association
- 1970-Present Los Angeles County Medical Association
- 1974-1999 Societe Internationale de Chirurgie
- 1978-Present Western Surgical Association
- 1980-Present American Surgical Association
- 1980-Present Pan-Pacific Surgical Association
- 1991-Present Society of American Gastrointestinal Endoscopic Surgeons (hon.)

**OFFICERSHIPS**

- 1974-1982 Member of the Board of Directors, Southern California Chapter, American College of Surgeons

- 1974-1975 Recorder, Southern California Chapter, American College of Surgeons
- 1974-1975 Membership Chairman and Member of the Board of Directors, Los Angeles Surgical Society
- 1976-1977 Secretary, Southern California Chapter, American College of Surgeons
- 1976 Secretary-Treasurer and Member of the Board of Directors, Los Angeles Surgical Society
- 1977 President and Member of the Board of Directors, Los Angeles Surgical Society
- 1978 President, Southern California Chapter, American College of Surgeons
- 1979 Chairman, Continuing Medical Education Committee, Southern California Chapter, American College of Surgeons
- 1980-1986 Governor-at-large, American College of Surgeons
- 1999-Present Member, Advisory Board, Pacific Center for Health Policy and Ethics, USC

**EXPERIMENTAL RESEARCH GRANTS:**

- 1972 - 1975 "Use of Microcrystalline Collagen Hemostat for Control of Intractable Bleeding"
- 1974 -1975 "Resistance of Small Intestinal Segment to Colonic Carcinogens"
- 6/1974 – 12/1974 "Effect of Acupan on Small Intestinal Motility and Sphincter of Oddi Function in Dogs"
- 7/1974 - 12/1975 "Use of a Mechanical Suturing Apparatus in Low Colorectal Anastomosis"
- 1990 - 2002 "Pathogenesis of Splenic Cysts". Intermural Grant.

**CLINICAL RESEARCH:**

- 1960-1970 "Jaundice in the Postoperative Period"
- 1960-1968 "Carcinoma of the Gastric Stump"
- 1960-1994 "New Methods of Splenic Hemostasis"
- 1960-1970 "Studies on the Gastroenteric Anastomosis"
- 1963-1975 "Carcinoma of the Breast: The Factor of Multicentricity"

1970-1988	"Malignant Diverticulitis"
1970-1992	"Choledochoscopy and Operative Cholangiography"
1970-1988	"Wound Healing and Anastomotic Leakage"
1974-1976	"Liver Biopsy Study"
1979-1981	"Melanosis Coli"
1980-1981	"PDS (polydioxanone) Absorbable Ligating Clip and PDS Clip Applier"
1983-1988	"Silicone in Breast Carcinoma"
1983-1995	"Tumors of the Spleen"
1983-2000	"Radiation Enteropathy"
1983-1988	"Radiation Injuries to the Breast"
1983-1988	"Nonoperative Management of Splenic Injuries"
1986-1988	"Intraluminal Colonic Bypass"

**AWARDS:**

Maimonides Award	American Technion Society, Healing Arts Division. Los Angeles, California. October 13, 1985.
Golden Apple Award 1985/1986	"In appreciation for excellence in teaching and outstanding contributions to Medical Education." Cedars-Sinai Medical Center. Los Angeles, California. 1986.
Ralph Colp Prize 1986/1987	"For the best surgical paper published in The Mount Sinai Journal during the academic year for 'Near-total splenectomy for massive splenomegaly due to Gaucher disease.'" The Mount Sinai School of Medicine. New York, New York. May 29, 1987.
Pioneer of Medicine Award, 1990	Cedars-Sinai Medical Center. Los Angeles, California. October 31, 1990.
Friends of Nursing Award	"In recognition of your support to nurses and your contributions to ethical and compassionate care." Cedars-Sinai Medical Center. Los Angeles, California. May 8, 2000.

Morgenstern L. "An Unsung Hero of The Laparoscopic Revolution: Eddie Joe Reddick, MD"  
Submitted to *Surgical Innovations*, August 2008.

**PRESENTATIONS AND LECTURES:**

**1. Wirsung, Vater and Santorini; Neighbors in Eponymy**

Lecture: First Seminar on Medical History. Sponsored by the Library, Cedars of Lebanon Hospital. June 21, 1962.

**2. Wound Healing**

Lecture: Delivered to operating room nurses, Cedars of Lebanon Hospital. September 23, 1963.

**3. Dominique Jean Larrey: Surgeon General to Napoleon**

Lecture: Cedars of Lebanon Hospital Society for the History of Medicine, Fall, 1963.

**4. The Napoleonic Legacy to French Medicine**

Lecture: The Barlow Society for the History of Medicine. January 23, 1964.

**5. The Pathogenesis and Clinical Diagnosis of the Circumferential Small Bowel Ulcer**  
(L Morgenstern and J Panish)

**6. Splenic Hemostasis** (L Morgenstern, J Dickman and JM Shore)

Presentation: Symposium on Physiological Adhesives. Sponsored by the University of Texas Graduate School of Biomedical Sciences. Houston, Texas. February, 1966.

**7. Use of Charged Gold Leaf Collagen Sponge and Methyl 2-Cyanoacrylate Monomer for Superficial Splenic Injuries**

Lecture: Symposium on Adhesives in Surgery. Vienna University Medical Faculty. Vienna, Austria. September 1-2, 1967.

**8. Guest Lecturer: University of Minnesota, Department of Surgery**  
(at the invitation of Dr. Owen H. Wangenstein). January 10-12, 1967.

**9. Carcinoma of the Gastric Stump**

Guest Lecturer: Hadassah Medical Center. Jerusalem, Israel. September 11, 1967.

**10. Vagotomy and Experimental Gastric Cancer**

Guest Lecturer: Hadassah Medical Center. Jerusalem, Israel. September 11, 1967.

**11. Prevention of Radiation Enteropathy by Pancreatic Enzyme Exclusion**

Guest Lecturer: Hadassah Medical Center. Jerusalem, Israel. September 11, 1967.

**12. Vagotomy and Experimental Gastric Cancer**

Guest Lecturer: Rambam Hospital. Haifa, Israel. September 20, 1967.

**13. Splenic Hemostasis**

Guest Lecturer: Rambam Hospital. Haifa, Israel. September 20, 1967.

**14. Postoperative Jaundice**

Lecture: Mt. Sinai Hospital. Cleveland, Ohio. April 20, 1968.

**15. Management of Enterocutaneous Fistulas: Some New Adjuncts**

(L Morgenstern, A Sokol and S Michel)

Presentation: American College of Surgeons, Southern California Chapter, Annual Meeting. Santa Barbara, California. January 17, 1969.

**16. An Improved Technique for Operative Cholangiography**

(L Morgenstern, G Berci, L Adler and JM Shore)

Presentation: American College of Surgeons, Southern California Chapter, Annual Meeting. Santa Barbara, California. January 14, 1972.

**17. Carcinoma of the Gastric Stump: Noteworthy Pathologic Features**

Presentation: International Academy of Pathology, IX International Congress. Jerusalem, Israel. September 11-14, 1972.

**18. The Surgical Value of the Endoscopic Examination of the Entire Colon with Special Reference to Polypectomy without Exploration**

(G Berci, J Panish, L Morgenstern and L Schoenfield)

Presentation by: G Berci. American College of Surgeons, Southern California Chapter, Annual Meeting. Newport Beach, California. January 19-21, 1973.

**19. Further Clinical Experience with the Improved Rigid Choledochoscope**

(L Morgenstern, L Lovitch, S Shapiro, JM Shore and G Berci)

Presentation: American College of Surgeons, Southern California Chapter, Annual Meeting. Palm Springs, California, January 20, 1974.

**20. Total and Near Total Gastrectomy for Intractable Gastrointestinal Bleeding Due to Osler-Weber-Rendu Disease (L Morgenstern and G Furman)**

Presentation: V Congress Mundial de Gastroenterologia. Mexico City, Mexico. October 13-19, 1974.

**21. "Malignant" Diverticulitis (L Morgenstern and R Weiner)**

Presentation: Los Angeles Surgical Society, Annual Residents' Program. Los Angeles, California. November, 1974.

**22. Use of a Mechanical Suturing Apparatus (K2-28) in Low Colorectal Anastomosis**

(L Morgenstern, SN Fain and CS Patin)

Presentation: American College of Surgeons, Southern California Chapter, Annual Meeting. Santa Barbara, California. January 17-19, 1975.

**23. Splenic Hemostasis**

Presentation: Surgical Grand Rounds, Harbor General Hospital. Torrance, California. December 20, 1975.

**24. Short Term Endotracheal Intubation and Its Sequelae: Early Detection**  
(J Freeman, G Berci, L Morgenstern and P Ward)

Presentation by: J. Freeman. American College of Surgeons, Southern California Chapter, Annual Meeting, Newport Beach, California. January 16-18, 1976.

**25. The Left Transverse Colostomy** (RS Weiner, SL Michel and L Morgenstern)

Presentation by: RS Weiner. American College of Surgeons, Southern California Chapter, Annual Meeting, Newport Beach, California. January 16-18, 1976.

**26. Fruit Pit Obstruction: The Propitious Pit** (JE Price, Jr, SL Michel and L Morgenstern)

Presentation by: JE Price, Jr. American College of Surgeons, Southern California Chapter, Annual Meeting. Newport Beach, California. January 16-18, 1976.

**27. Surgical Aspect of Breast Cancer**

Presentation: Annual Cancer Symposium, Orange County Medical Association. Orange, California. October 2, 1976.

**28. The Avoidable Consequences of Splenectomy Due to Operative Injury**

Presentation: American College of Surgeons, Annual Clinical Congress. Chicago, Illinois. October 11-15, 1976.

**29. The Control of Hepatic Bleeding with Microfibrillar Collagen**  
(L Morgenstern, S Michel and E Austin)

Presentation: American College of Surgeons, Southern California Chapter, Annual Meeting. Palm Springs, California. January 14-16, 1977.

**30. Routine Liver Biopsy in Upper Abdominal Surgery** (S Michel, R Lipsky and L Morgenstern)

Presentation by: S Michel. American College of Surgeons, Southern California Chapter, Annual Meeting. Palm Springs, California. January 14-16, 1977.

**31. Commonly Encountered Anomalies of Hepatic Arteries and Ducts**

Presentation: American College of Surgeons, Spring Meeting. Los Angeles, California. March 30, 1977.

**32. Preoperative Fluoro and Serial Film Cholangiography** (L Morgenstern, G Berci and JM Shore)

Presentation: The Society for Surgery of the Alimentary Tract, Annual Meeting. Toronto, Canada. May 24-25, 1977.

**33. Surgery for Stones in the Biliary Tract**

Presentation: Recent Advances in Gastrointestinal Surgery. American Medical Association, Annual Convention. San Francisco, California. June 22, 1977.

**34. Spatial Distribution of Colonic Carcinoma** (SE Lee and L Morgenstern)

Presentation by: SE Lee. American College of Surgeons, Southern California Chapter, Annual Meeting. Santa Barbara, California. January 20-22, 1978.

**35. Conservative Surgery of the Spleen**

Presentation: Surgical Grand Rounds, University of California, Los Angeles. Los Angeles, California. March 29, 1978.

**36. Revised Indication for Splenectomy**

Presentation: Surgical Grand Rounds, University of California, Los Angeles. Los Angeles, California. April 18, 1978.

**37. Techniques of Intrasplenic Surgery** (L Morgenstern and S Shapiro)

Presentation: Western Surgical Association, Annual Meeting. Scottsdale, Arizona. November 12-15, 1978.

**38. "Malignant" Diverticulitis: A Clinical Entity** (L Morgenstern, R Weiner, and S Michel)

Presentation: American College of Surgeons, Southern California Chapter, Annual Meeting. Newport Beach, California, January 19-21, 1979.

**39. Enterocutaneous Fistulae Following Repair of Incisional Hernias Using Marlex Mesh** (R Lipsky, E Austin and L Morgenstern)

Presentation by: R Lipsky. American College of Surgeons, Southern California Chapter, Annual Meeting. Newport Beach, California. January 19-21, 1979.

**40. Postoperative Jaundice**

Presentation: Course on "Current Concepts, Controversies and Clinical Strategies in

Gastroenterology," Cedars-Sinai Medical Center, Department of Continuing Medical Education. Los Angeles, California. February 12-15, 1979.

**41. Choledochoscopy**

Presentation: Hepatic, Biliary and Pancreatic Surgery, Annual continuation course in Surgery, University of Minnesota, Department of Surgery. Minneapolis, Minnesota. June 13-16, 1979.

**42. Methods of Saving Injured Spleens**

Presentation: Hepatic, Biliary and Pancreatic Surgery, Annual continuation course in Surgery, University of Minnesota, Department of Surgery. Minneapolis, Minnesota. June 13-16, 1979.

**43. Effects of Stress on Wound Healing (RC Sherwood, L Morgenstern and M Smith)**

Presentation by: RC Sherwood. American College of Surgeons, Annual Clinical Congress. Chicago, Illinois. October 21-26, 1979.

**44. Intestinal Anastomosis with the End-to-End Stapling Instrument: Progress and Perils, 1979 (L Morgenstern, F Geller, G Berci, and SE Lee)**

Presentation: American College of Surgeons, Southern California Chapter, Annual Meeting. Palm Springs, California. January 18-20, 1980.

**45. Splenectomy for Trauma and Splenic Diseases**

Workshop: American College of Surgeons, Southern California Chapter, Annual Meeting. Palm Springs, California. January 18-20, 1980.

**46. Operative Choledochoscopy and Fluorocholangiography in the Management of Bile Duct Stones**

Presentation: University of California, San Diego, Third Annual San Diego Post-Graduate Assembly in Surgery. San Diego, California. January 20-23, 1980.

**47. Sphincteroplasty and Choledochoduodenostomy for Bile Duct Stones**

Presentation: University of California, San Diego, Third Annual San Diego Post-Graduate Assembly in Surgery. San Diego, California. January 20-23, 1980.

**48. Controversies in Surgery of the Colon, Rectum and Anus**

Presentation: The Fifth Annual Clarence E. Stafford Memorial Surgical Symposium and Lecture, White Memorial Medical Center and Loma Linda University School of Medicine.

Los Angeles, California. May 4-5, 1980.

**49. Surgery of the Biliary Tract and Management of Complications**

Presentation: Surgical Problems: The Old and the New. Ralph R. Coffey Surgical Seminar, Department of Surgery, Truman Medical Center School of Medicine and the Division for Continuing Medical Education, University of Missouri. Kansas City, Missouri. May 15-16, 1980.

**50. Postoperative Jaundice**

**51.** Presentation: Surgical Problems: The Old and the New. Ralph R. Coffey Surgical Seminar, Department of Surgery, Truman Medical Center School of Medicine and the Division for Continuing Medical Education, University of Missouri. Kansas City, Missouri. May 15-16, 1980.

**52. Choledochoscopy**

**53.** Presentation: Instruments, Materials and New Techniques for Surgery. Indiana University, Division of Continuing Medical Education. Indianapolis, Indiana. August 7-9, 1980.

**54. Alternative Techniques of Choledochoduodenostomy for Biliary Bypass Procedures (L Morgenstern, SL Michel and G Berci)**

Presentation: Collegium Internationale Chirurgiae Digestivae, Sixth World Congress. Lisbon, Portugal. September 15-19, 1980.

**55. The Left Transverse Colostomy (L Morgenstern and SL Michel)**

Presentation: Collegium Internationale Chirurgiae Digestivae, Sixth World Congress. Lisbon, Portugal. September 15-19, 1980.

**56. New Concepts in Splenic Anatomy Relating to Digestive Tract Surgery**

Presentation: Collegium Internationale Chirurgiae Digestivae, Sixth World Congress. Lisbon, Portugal. September 15-19, 1980.

**57. End-to-End Anastomosis with a Stapling Instrument**

Presentation: Surgical Grand Rounds, University of California, Los Angeles. Los Angeles, California. February 4, 1981.

**58. Benign Breast Disease, Nipple Discharge, and In-situ Neoplasia**

Presentation: California Medical Association, Annual Session. Anaheim, California. March 13-18, 1981.

**59. Perspectives on Residency Training Programs**

Presentation: California Medical Association, Annual Session Anaheim, California. March 13-18, 1981.

**60. Locating and Removing Stones in the Biliary Ducts at Surgery**

Presentation: Sixth Annual Clarence E. Stafford Memorial Surgical Symposium and Lecture, White Memorial Medical Center and Loma Linda University School of Medicine. Los Angeles, California. May 3-4, 1981.

**61. The Cystic Duct Remnant: An Overlooked Entity (G Berci, JA Hamlin and L Morgenstern)**

Presentation: International Biliary Association, Annual Meeting. New York, New York. May 21-22, 1981.

**62. Conservative Surgery of the Spleen**

Presentation: Hadassah University Hospital. Jerusalem, Israel. September 3, 1981.

**63. Conservative Surgery of the Spleen**

Presentation: University of Athens Hospital. Athens, Greece. September 10, 1981.

**64. Nonoperative Treatment of Splenic Injuries in Adults**

Presentation: 29th Congress of the Societe Internationale de Chirurgie. Montreux, Switzerland. September 13-17, 1981.

**65. Carcinoma of the Rectum: New Surgical Alternatives**

Presentation: Fifth Annual Scripps Memorial Hospital Cancer Symposium. San Diego, California. October 26-28, 1981.

**66. Percutaneous Biopsy and Drainage Procedures: The Surgeon's Viewpoint**

Presentation: Third Annual Leo G. Rigler Memorial Conference on Diagnostic Imaging for Clinicians. Los Angeles, California. November 7, 1981.

**67. Surgery in Nonagenarians (L Stevens, L Morgenstern, SL Michel)**

Presentation by: L Stevens. American College of Surgeons, Southern California Chapter,

Annual Meeting. Newport Beach, California. January 22-24, 1982.

**68. Melanosis Coli: A Neglected Clue in Colonic Neoplasia** (L Morgenstern, SL Michel, L Shemen)

Presentation by L Shemen: American College of Surgeons, Southern California Chapter, Annual Meeting. Newport Beach, California. January 22-24, 1982.

**69. Innovations in Operative Cholangiography and Choledochoscopy**

Presentation: Ewart R. Angus Visiting Professor. The Wellesley Hospital, Toronto, Canada. January 31 - February 3, 1982.

**70. The Management of Splenic Trauma**

Presentation: Ewart R. Angus, Visiting Professor. The Wellesley Hospital, Toronto, Canada. January 31 - February 3, 1982.

**71. Napoleon's Ills and Josephine's Foibles**

Presentation: 19th Annual UCLA Seminar on Controversial Areas in Surgery. Palm Springs, California. March 27-31, 1982.

**72. Splenorrhaphy, Partial Splenectomy and Nonoperative Management of Splenic Injuries**

Presentation: Surgical Grand Rounds, Harbor/UCLA Medical Center. Torrance, California. April 3, 1982.

**73. Emergency Laparoscopy for Trauma: Indications, Techniques, and Results**

Presentation: The Southwestern Surgical Congress, 34th Annual Meeting. Coronado, California. April 26-29, 1982.

**74. Operative Cholangiography and Choledochoscopy: Update on Results and Techniques**

Presentation: The Southwestern Surgical Congress, 34th Annual Meeting. Coronado, California. April 26-29, 1982.

**75. Surgery of the Spleen**

Presentation: Surgical Grand Rounds, University of California, Los Angeles. Los Angeles, California. May 10, 1982.

**76. Napoleon's Ills and Josephine's Foibles**

Presentation: Cedars-Sinai Society for the History of Medicine. Los Angeles, California.

July 27, 1982.

**77. Management Problem: Tuberculosis Peritonitis**

Presentation: Surgical Grand Rounds, University of California, Los Angeles. September 22, 1982.

**78. Nonoperative Management of Splenic Injuries in Adults** (L Morgenstern, R Uyeda)

Presentation: American College of Surgeons, Annual Clinical Congress. Chicago, Illinois. October 24-29, 1982.

**79. Bedside Minilaparoscopy in Blunt Abdominal Trauma** (G Sanders, D Dunkelman, E Wahlstrom, L Morgenstern, G Berci)

Presentation by G Sanders: Los Angeles Surgical Society, Annual Resident's Program. Los Angeles, California. November 11, 1982.

**80. Surgery of the Spleen**

Presentation: Surgical Service Morbidity and Mortality Conference, Wadsworth VA Medical Center. Los Angeles, California. November 12, 1982.

**81. A Peek is Worth Two Finesses—Laparoscopy in Trauma**

Presentation: American College of Surgeons, Arizona Chapter, Annual Surgical Conference. Phoenix, Arizona. December 3-4, 1982.

**82. Stones in the River Styx—Choledochoscopy**

Presentation: American College of Surgeons, Arizona Chapter, Annual Surgical Conference. Phoenix, Arizona. December 3-4, 1982.

**83. Conservative Surgery of the Spleen**

Presentation: Danish Society of Surgery. Copenhagen, Denmark. December 10-11, 1982.

**84. The Effect of Preoperative Irradiation on the Healing of Low Colorectal Anastomosis** (G Sanders, E Wahlstrom, L Morgenstern, J Yadegar, P Amodeo)

Presentation by: G Sanders. American College of Surgeons, Southern California Chapter, Annual Meeting. Rancho Mirage, California. January 14-16, 1983.

**85. Comparative Tissue Reactivity of Topical Hemostatic Agents in the Periureteric Region** (E Wahlstrom, J Yadegar, P Amodeo, M O'Connell, L Morgenstern)

Presentation by: E Wahlstrom. American College of Surgeons, Southern California

Chapter, Annual Meeting. Rancho Mirage, California. January 14-16, 1983.

**86. Splenic Injury**

Presentation: Surgical Grand Rounds, University of California, Irvine. April 30, 1983.

**87. Radiation Enteropathy**

Presentation: Visiting Professor, Mt. Sinai Medical Center. New York, New York.  
May 10-11, 1983.

**88. Unusual Conditions of the Spleen**

Presentation: Visiting Professor, Mt. Sinai Medical Center. New York, New York.  
May 10-11, 1983.

**89. Discussant, Paper 5: Hepatocellular Carcinoma: Changing Concepts in Diagnosis and Management.**

Discussant, Paper 25: **Efficacy of Preoperative Percutaneous Biliary Tract Decompression in Patients with Obstructive Jaundice.** Western Surgical Association. Monterey, California. November 13-16, 1983.

**90. Hamartomas of the Spleen (L McCafferty, L Morgenstern, J Rosenberg, SL Michel)**

Presentation by: L McCafferty. American College of Surgeons, Southern California Chapter, Annual Meeting. Santa Barbara, California. January 27-29, 1984.

**91. Splenic Trauma**

Workshop: American College of Surgeons, Southern California Chapter, Annual Meeting. Santa Barbara, California. January 27-29, 1984.

**92. Reimbursement Procedures re: Residency Programs (Moderator)**

Workshop: Association of Program Directors in Surgery (APDS). Atlanta, Georgia. February 17-18, 1984.

**93. Residency Programs in Private Hospital (Moderator)**

Workshop: Association of Program Directors in Surgery (APDS). Atlanta, Georgia. February 17-18, 1984.

**94. Discussant, Paper 18: Inflammatory Breast Carcinoma. Discussant, Paper 19: Gracilis Muscle Flap for the Persistent Perineal Sinus of Inflammatory Bowel Disease.**

Pacific Coast Surgical Association. Newport Beach, California. February 19-22, 1984.

**95. The Spleen: An old organ, new horizons**

Presentation: Roger Barnes Memorial Lectureship of the 52nd Annual Postgraduate Course of the Alumni Association, School of Medicine, Loma Linda University. Loma Linda, California. March 12, 1984.

**96. Effect of Preoperative Irradiation on Healing of Low Colorectal Anastomosis**

Presentation: Surgical Grand Rounds, University of California, Los Angeles. Los Angeles, California. March 21, 1984.

**97. Operative Cholangiography and Choledochoscopy**

Presentation: Visiting Professor, Wilmington Medical Center. Wilmington, Delaware. April 7, 1984.

**98. The Impact of DRG's, PPO's, and Contract Medicine on Surgery**

Presentation: American College of Surgeons, 70th Annual Clinical Congress. San Francisco, California. October 21-26, 1984.

**99. Techniques of Common Duct Exploration**

Postgraduate Course: Diseases of the Liver, Biliary Tract and Pancreas. American College of Surgeons, 70th Annual Clinical Congress. San Francisco, California. October 21-26, 1984.

**100. Colectomy Has No Effect on Small Intestinal Tumors Induced by Dimethylhydrazine in Rats (M Hachigian, P Fall, S Vimadalal, L Morgenstern)**

Presentation by: M Hachigian. American College of Surgeons, 70th Annual Clinical Congress. Surgical Forum, San Francisco, California. October 21-26, 1984.

**101. High-resolution Intraoperative Angioscopy of Peripheral and Coronary Arteries in Man (WS Grundfest, IF Litvack, ME Lee, J Matloff, R Carroll, R Foran, G Berci, L Morgenstern, JS Forrester)**

Presentation by: WS Grundfest. American College of Surgeons, 70th Annual Clinical Congress. Surgical Forum, San Francisco, California. October 21-26, 1984.

**102. Relation of Free Silicone to Human Breast Carcinoma (L Morgenstern, SL Michel, S Gleischman, JE Rosenberg, D Goodman)**

Presentation: Western Surgical Association, 92nd Annual Session, Scientific Program, Colorado Springs, Colorado. November 11-14, 1984.

**103. Changing Aspects of Radiation Enteropathy (M Hart, D Lugo, N Friedman, S Greenberg, L Morgenstern)**

Presentation by: M Hart. American College of Surgeons, Southern California Chapter, Coronado, California. January 18-20, 1985.

**104. Comparison of Tissue Effects of Pulsed Ultraviolet Lasers to Continuous Wave Y.A.G. and Argon Lasers** (W Grundfest, F Litvack, J Forrester, H Rose, M Fishbein, L Morgenstern)

Presentation by: W Grundfest. American College of Surgeons, Southern California Chapter. Coronado, California. January 18-20, 1985.

**105. Discussant, Paper 7: Breast Cancer in situ.**

Discussant, Paper 10: **Influence of Age on Surgical Mortality: Colon Surgery.**

Discussant, Paper 18: **Cancer of the Esophagus and Cardia: Preoperative Irradiation Prolongs Survival.**

Discussant, Paper 24: **Exigent Ileostomy Hemorrhage: A Complication of Proctocolectomy in Primary Sclerosing Cholangitis Patients With Chronic Ulcerative Colitis.**

Pacific Coast Surgical Association, Scientific Program, Annual Session. Monterey, California. February 17-20, 1985.

**106. Splenic Injury: The Whys, Whens, and Wherefores, and Once You've Done It, Ways for Splenic Salvage**

Seminar: UCLA Seminar on Controversial Areas in Surgery, 22nd Annual. Palm Springs, California. March 17-20, 1985.

**107. The Use of the Intestinal Stapler in Low Intestinal Anastomosis: Should Suture Techniques Be Discarded?**

Seminar: UCLA Seminar on Controversial Areas in Surgery, 22nd Annual. Palm Springs, California. March 17-20, 1985.

**108. Radiation Enteropathy**

Seminar: UCLA Seminar on Controversial Areas in Surgery, 22nd Annual. Palm Springs, California. March 17-20, 1985.

**109. Emergency Laparoscopy**

Seminar: UCLA Seminar on Controversial Areas in Surgery, 22nd Annual. Palm Springs, California. March 17-20, 1985.

**110. Multicentric Cancer of the Breast**

Seminar: UCLA Seminar on Controversial Areas in Surgery, 22nd Annual. Palm Springs,

California. March 17-20, 1985.

**111. Radiation Enteropathy**

Presentation: Surgical Grand Rounds, City of Hope Medical Center. Duarte, California. April 16, 1985.

**112. Radiation Enteropathy**

Presentation: Morbidity and Mortality Conference, Wadsworth VA Medical Center. Los Angeles, California. July 12, 1985.

**113. Recent Experiences with Silicone Mastopathy and Breast Carcinoma**  
(D Wood, L Morgenstern)

Presentation by: D Wood. Los Angeles Surgical Society. Los Angeles, California. November 14, 1985.

**114. Splenic Conservation**

Presentation: Continuing Medical Education, Cigna Hospital of Los Angeles, Inc. Los Angeles, California. November 14, 1985.

**115. The Operative Management of Splenic Injury**

Presentation: Second Annual Symposium on Controversies and Problems in Surgery. Albert Einstein College of Medicine/Montefiore Medical Center. New York, New York. December 9-11, 1985.

**116. Evolution of Splenic Surgery, from Mythology to Modernity**

Presentation: Second Annual Symposium on Controversies and Problems in Surgery. Albert Einstein College of Medicine/Montefiore Medical Center. New York, New York. December 9-11, 1985.

**117. Splenic Injuries: Operative and Non-Operative Treatment**

Presentation: Pan-Pacific Surgical Association, 18th Congress. Honolulu, Hawaii. January 11-17, 1986.

**118. Searching For Septic Foci in the Trauma Patient**

Presentation: Pan-Pacific Surgical Association, 18th Congress. Honolulu, Hawaii. January 11-17, 1986

**119. Discussant, Paper 2: A Seven-Year Experience with Low Anterior Sigmoid Resections Using the EEA Stapler.**

Discussant, Paper 3: **Management of Carcinoma of the Rectum and Anus without A-P Resection.**

Discussant, Paper 26: **Video Angioscopy as an Alternative to Intraoperative Arteriography**

Pacific Coast Surgical Association, Scientific Program, Annual Session. Maui, Hawaii. February 16-19, 1986.

**120. Beyond the Surgical Residency—Problems, Options, Opportunities**

Workshop: Association of Program Directors in Surgery (APDS). Dallas, Texas. February 28 - March 1, 1986.

**121. Near-Total Splenectomy for Gaucher Disease**

Presentation: Surgical Grand Rounds, University of California, Los Angeles. Los Angeles, California. May 14, 1986.

**122. Acute Abdomen**

Presentation: Medical Grand Rounds, Cedars-Sinai Medical Center. Los Angeles, California. August 11, 1986.

**123. Operative Management of Splenic Injury**

Presentation: Surgical Grand Rounds, Wadsworth VA Medical Center. Los Angeles, California. August 15, 1986.

**124. Radiation Enteropathy**

Presentation: C.I.C.D. Collegium Internationale Chirurgiae Digestivae, 9th World Congress. Jerusalem, Israel. August 31-September 5, 1986.

**125. Splenic Surgery**

Presentation: C.I.C.D. Collegium Internationale Chirurgiae Digestivae, 9th World Congress. Jerusalem, Israel. August 31-September 5, 1986.

**126. Acute Abdomen**

Presentation: Surgical Grand Rounds, Wadsworth VA Medical Center. Los Angeles, California. November 21, 1986.

**127. Wiles, Woes and the Demise of Cleopatra VII, Including Medicine in the Ptolemaic Dynasty**

Presentation: Cedars-Sinai Society for the History of Medicine. Los Angeles, California. December 10, 1986.

**128. Unusual Lesions of the Pancreas** (D Fermelia, L Ozeran, S Sostrin, MM Shabot, L Morgenstern)

Presentation by: D Fermelia. American College of Surgeons, Southern California Chapter. Santa Barbara, California. January 16-18, 1987.

**129. An Alternative Method for Repair of Massive Ventral Hernia Using Marlex Mesh** (B Carroll, L Morgenstern)

Presentation by: B Carroll. American College of Surgeons, Southern California Chapter Santa Barbara, California. January 16-18, 1987.

**130. Discussant, Paper 1: Changing Clinical Spectrum of Splenic Abscess: A Multicenter Study and Review of the Literature.**

Discussant, Paper 18: **Hyperbilirubinemia Alone Does Not Increase the Risk of Surgery**

Pacific Coast Surgical Association. Scientific Program, 58th Annual Session. Rancho Mirage, California. February 15-18, 1987.

**131. Unsolved Questions in Radiation Enteropathy: Concepts, Controversies, and Principles of Management**

Presentation: UCLA Extension, Controversies in General and Vascular Surgery. Palm Springs, California. March 9-12, 1987.

**132. Total Management of Massive Splenomegaly Including Partial Splenectomy**

Presentation: UCLA Extension, Controversies in General and Vascular Surgery. Palm Springs, California. March 9-12, 1987.

**133. The Wiles, The Woes, and the Demise of Cleopatra VII**

Presentation: Severance Club. Los Angeles, California. July 10, 1987.

**134. Current Problems in Radiation Enteropathy**

Presentation: Surgical Grand Rounds, Jerry L. Pettis Memorial VA Hospital. Loma Linda, California. September 2, 1987.

**135. Intraoperative Choledochoscopy and Cholangiography**

Postgraduate Course: Diseases of the Liver, Biliary Tract, and Pancreas. American College of Surgeons, 73rd Clinical Congress. San Francisco, California. October 11-16, 1987.

**136. The Conservative Management of Splenic Injury**

Presentation: Surgical Grand Rounds, Winthrop University Hospital. Mineola, Long Island, New York. December 3, 1987.

**137. Current Concepts in Radiation-Induced Damage to the Gastrointestinal Tract**

Visiting Professor. Teaching Noon Conference. The University of Alabama at Birmingham, School of Medicine. Montgomery, Alabama. January 14, 1988.

**138. The Acute Abdomen**

Presentation: Internal Medicine House Staff. The University of Alabama at Birmingham, School of Medicine. Montgomery, Alabama. January 15, 1988.

**139. A Surgeon's View of the Spleen, Splenectomy and Splenic Salvage**

Presentation: Grand Rounds in Medicine. The University of Alabama at Birmingham, School of Medicine. Montgomery, Alabama. January 15, 1988.

**140. Operative Cholangiography, Common Duct Exploration and Choledochoscopy**

Postgraduate Course: Postgraduate Assembly in Surgery. University of California, San Diego, School of Medicine, 11th Annual. San Diego, California. January 18-22, 1988.

**141. Management of Biliary Leaks and Fistulas**

Postgraduate Course: Postgraduate Assembly in Surgery. University of California, San Diego, School of Medicine, 11th Annual. San Diego, California. January 18-22, 1988.

**142. Thrombocytosis is a Consequence of Splenic Injury and Repair, as well as Splenectomy [Reactive Thrombocytosis Following Splenic Injury and Repair] (L Morgenstern, L Wong, J Bello, B Carroll)**

Presentation by: J Bello. American College of Surgeons, Southern California Chapter. Newport Beach, California. January 22-24, 1988.

**143. Comparative Efficacy of Topical Hemostatic Agents: An Objective Experimental Evaluation (L Wong, J Bello, K Ellis, L Morgenstern)**

Presentation by: L Wong. American College of Surgeons, Southern California Chapter.

Newport Beach, California. January 22-24, 1988.

**144. Radiation Enteropathy**

Presentation: Continuing Medical Education, Kaiser Permanente. Los Angeles, California. January 27, 1988.

**145. The Surgical Treatment of Cholecystitis**

Presentation: 2nd K.H. Koster Symposium. Management of Gall Stone Disease. Copenhagen, Denmark. April 8, 1988.

**146. Cholecystitis**

Presentation: 2nd K.H. Koster Symposium. Management of Gall Stone Disease. Copenhagen, Denmark. April 8, 1988.

**147. Comparative Efficacy of Topical Hemostatic Agents for Splenic Bleeding: An Objective Experimental Evaluation**

Presentation: Surgical Grand Rounds, University of California, Los Angeles. Los Angeles, California. May 11, 1988.

**148. Acute Abdomen Emergencies**

Presentation: Medicine Emergency Lecture Series, Cedars-Sinai Medical Center. Los Angeles, California. August 19, 1988.

**149. The Comparative Efficacy of Topical Hemostatic Agents (L Morgenstern, L Wong, J Bello)**

Presentation: C.I.C.D. Collegium Internationale Chirurgiae Digestivae, 10th World Congress. Copenhagen, Denmark. August 30-September 2, 1988.

**150. Laser Disintegration of Gallstones (L Daykhovsky, W Grundfest, L Morgenstern)**

Round-Table Discussion: C.I.C.D. Collegium Internationale Chirurgiae Digestivae, 10th World Congress. Copenhagen, Denmark. August 30-September 2, 1988.

**151. Endoscopic Percutaneous Transhepatic Cholecysto Laser Lithotripsy (EPTCLL) (L Daykhovsky, G Berci, W Grundfest, L Morgenstern, M Paz-Partlow)**

Presentation By: G Berci. IBA International Hepato-Biliary Pancreatic Association, 10th Congress. Nice, France. September 12-14, 1988.

**152. Current Development in Biliary Tract Surgery**

Presentation: Fifth Annual Conference for the Directors of Surgery. New York, New

York. September 28, 1988.

**153. Splenic Salvage**

Presentation: Visiting Professor. Catholic Medical Center. Jamaica, New York.  
September 29, 1988.

**154. Radiation Enteritis: Predisposing Factors and Experimental Treatment**

Presentation: Current Concepts in Radiation Oncology. Division of Radiation Oncology.  
City of Hope National Medical Center. Duarte, California. December 2, 1988.

**155. Current Concepts in the Management of Splenic Trauma Operative  
Cholangiography and Videocholedocoscopy Angioscopy; Laser Angioplasty and Laser  
Stone Fragmentation Repair of Massive Ventral Hernia  
Some Controversial Issues in Surgery of the Breast: Complications of Radiotherapy  
Radiation Enteropathy**

Visiting Guest Faculty/Presentations: Advances in Surgery Conference. Phoenix Surgical  
Society. Phoenix, Arizona. Jan 1989.

**156. Use of Coloshield Intraluminal Colonic Bypass Tube**

Poster Presentation with Dr. Joseph Bello, Dr. Darrell Carpenter, Dr. Tom Sokol, and Dr.  
Brendan Carrol: American College of Surgeons, Southern California Chapter. Jan, 1989.

**157. Intraluminal Colonic Bypass Tube**

Faculty: Seminar. February, 1989.

**158. A/V Cholangioscopy**

American College of Surgeons Postgraduate Course. Southern California Chapter.  
February 10, 1989.

**159. Presentation of Cummings Award in honor of J. Willis Hurst, M.D. April 5, 1989.**

**160. Splenic Preservation**

Visiting Professor. University of Las Vegas. April 13-18, 1989.

**161. Splenic Surgery                      Diverticulitis  
Radiation Enteropathy              Giant Hernia Repair**

Visiting Professor and Guest Faculty/Presentations: University of Madrid Hospital. 23rd  
Congress of Clinical Surgery. Madrid, Spain. May 12-30, 1989.

**162. Modern Operative Cholangiography**

Presentation: International Surgical Society. May 1989.

**163. UCLA Tutorials.** University of California, Los Angeles. Los Angeles, California. June 8, 1989.

**164. Controversies in General Surgery  
Cholangiography and Choledochoscopy; Splenic Preservation**

Guest Faculty/Presentations: University of Minnesota Medical School. June 15-16, 1989.

**165. Cholangiography and Choledochoscopy**

Symposium: Biliary Tract Disease. International Surgical Surgery. Toronto, Ontario, Canada. September 10-16, 1989.

**166. Participant: American College of Surgeons Symposium.** Atlanta, Georgia. October 16-19, 1989.

**167. Jews, Moors, and Christians: History of Spanish Medicine 711-1492**

Guest Speaker: Society for the History of Medicine. November 30, 1989.

**168. Diverticulitis**

Presentation: Grand Rounds. Loma Linda Medical Center. Loma Linda, California. December 1989.

**169. Use of the Coloshield in Colonic Trauma**

Presentation with Drs. Bello, Carpenter, Sokol, Carrol, and Sackier: American College of Surgeons, Southern California Chapter. January 1990.

**170. Complications of Peptic Ulcer Disease in the Elderly**

Presentation with Drs. David Kulber and Susan Hartunian: American College of Surgeons, Southern California Chapter. Santa Barbara, California. January 1990.

**171. Splenic Cysts**

Presentation: Grand Rounds. University of California, Los Angeles. Los Angeles, California. January 1990.

**172. Massive Splenomegaly**

Presentation: Pacific Coast College of Surgeons. Laguna Niguel, California. February 18-21, 1990.

**173. Surgical Management of Splenic Injury**

Presentation: Pediatric Grand Rounds. University of California, Los Angeles.  
Los Angeles, California. March 1, 1990.

**174. Colosshield and Colorectal Trauma  
Splenectomy for Thrombocypenia in HIV Patients**

Discussant: Western Surgical Association. Phoenix, Arizona. November 1990.

**175. 1200 Classical Cholecystectomies**

Presentation with Drs. Linda Wong and George Berci: American College of Surgeons,  
Southern California Chapter, San Diego, California. January 18-19, 1991.

**176. Lymphangiomas and lymphangiomatosis of the spleen**

Presentation with Drs. Joseph M. Bello, Barry L. Fisher, and Ronald P. Verham.  
American College of Surgeons, Southern California Chapter. San Diego, California.  
January 18-19, 1991.

**177. Splenology: The Spleen in Art, Literature and History**

Guest Speaker: Society for the History of Medicine. Cedars-Sinai Medical Center, Los  
Angeles, CA. November 21, 1991.

**178. Medicine in the Warsaw Ghetto: 1939-1944**

Presentation: Holocaust Remembrance Day: Cedars-Sinai Medical Center, Los Angeles,  
CA. April 21, 1993.

**179. Ethical issues in Surgical Endoscopy**

Presentation: American College of Legal Medicine. Anaheim, California. March 12,  
1994.

**180. The Golden Years**

Presentation: 47th Congress of Japan Gastroenterological Endoscopy Society, Kobe,  
Japan. April 25, 1994.

**181. International Plenary Session: "Laparoscopic Management of CBD Stones"**

Presentation: 47<sup>th</sup> Congress of Japan Gastroenterological Endoscopy Society. Kobe,  
Japan. April 25, 1994.

**182. Endoscopy in the 21<sup>st</sup> Century**

Presentation: 47<sup>th</sup> Congress of Japan Gastroenterological Endoscopy Society. Kobe, Japan, April 26, 1994.

**183. Festschrift -Supplement to Surgical Endoscopy**

Presentation: George Berci, M.D., F.A.C.S., F.R.C.S., E.D. (HON.): Past, Present, and Future. For the George Berci, M.D. Dallas, FT. April 24, 2006.

**184. Ethical Issues in Surgical Endoscopy**

Presentation: 47<sup>th</sup> Contress of Japan Gastroenterological Endoscopy Society. Kobe, Japan. April 26, 1994.

**185. Doctors as Writers and Artists**

Presentation: World Congress of Gastroenterology, Los Angeles, California. October 6, 1994.

**186. Doctors as Writers and Artists**

Presentation: Society for the History of Medicine, Cedars-Sinai Medical Center, Los Angeles, California. November 17, 1994.

**187. Emerging Issues in Surgical Endoscopy**

Presentation: 3<sup>rd</sup> International Congress on New Technology & Advanced Techniques in Surgery. Luxembourg, June 1995.

**188. Ethics in Surgical Instrument Development**

Presentation: 3<sup>rd</sup> International Congress on New Technology & Advanced Techniques in Surgery. Luxembourg, June 1995.

**189. The Clinical Spectrum of Splenic Infarction**

Presentation: Southern California Chapter, American College of Surgeons, Dana Point, California. January 1996.

**190. The Need for Technology Assessment for New Procedures and Equipment**

3<sup>rd</sup> World Congress International Hepato-Pancreato-Biliary Association. Madrid, Spain, May 25, 1998.

**191. Biliary Diagnostics. Hepatolithiasis. Others.**

Chairman, Free Papers Session. 3<sup>rd</sup> World Congress International Hepato-Pancreato-Biliary Association. Madrid, Spain. May 27, 1998.

**192. Complications in Endoscopic Surgery: Minimal Access, Minimal Risk?**

Presentation: 6th World Congress of Endoscopic Surgery. Rome, Italy. June 4, 1998.

**193. Splenectomy for Splenic Metastases: A Changing Clinical Spectrum**

Presentation: Annual Meeting, Southern California Chapter, American College of Surgeons, Huntington Beach, California. January 2000.

**194. When Is Enough Enough or Too Much, Too Much? Tough Decisions in Medical Care**

Presentation: Senior Care "Talk-Back" Grand Rounds, Cedars-Sinai Medical Center, Los Angeles, California. May 1, 2002.

**195. When Is Enough Enough or Too Much, Too Much? Too Much in Medical Care?**

Presentation: Senior Care "Talk-Back" Grand Rounds, Temple Beth Am, Los Angeles, California. March 20, 2003.

**PANELS**

**1. Senior Author Panel**

Moderator: American College of Surgeons, Southern California Chapter, Annual Meeting. Newport Beach, California. January 19-21, 1973.

**2. Senior Author Panel**

Panelist: American College of Surgeons, Southern California Chapter, Annual Meeting. Newport Beach, California. January 16-18, 1976.

**3. Trends in the Management of Carcinoma of the Breast**

Panelist: American College of Surgeons, Southern California Chapter, Annual Meeting. Palm Springs, California. January 14-16, 1977.

**4. Senior Author Panel**

Panelist: American College of Surgeons, Southern California Chapter, Annual Meeting. Palm Springs, California. January 14-16, 1977.

**5. Senior Author Panel**

Panelist: American College of Surgeons, Southern California Chapter, Annual Meeting. Santa Barbara, California. January 20-22, 1978.

**6. Management of the "Pre-Malignant" Breast Lesion and Breast Reconstruction**

Panelist: American College of Surgeons, Southern California Chapter, Annual Meeting. Santa Barbara, California. January 20-22, 1978.

**7. Senior Author Panel**

Moderator: American College of Surgeons, Southern California Chapter, Annual Meeting.

Santa Barbara, California. January 20-22, 1978.

**8. Senior Author Panel**

Panelist: American College of Surgeons, Southern California Chapter, Annual Meeting. Newport Beach, California. January 19-21, 1979.

**9. Intestinal and Gastric Bypass for Obesity**

Panelist: Course on "Current Concepts, Controversies and Clinical Strategies in Gastroenterology," Cedars-Sinai Medical Center, Department of Continuing Medical Education. Los Angeles, California. February 12-15, 1979.

**10. Operative vs Medical Treatment of Varices**

Panelist: Course on "Current Concepts, Controversies and Clinical Strategies in Gastroenterology," Cedars-Sinai Medical Center, Department of Continuing Medical Education. Los Angeles, California. February 12-15, 1979.

**11. Symposium on the Clinical Use of Avitene**

Chairman: Sponsored by Avicon, Inc. and KPR Infor/Media Corp. San Francisco, California. September 28-29, 1979.

**12. Common Bile Duct Exploration**

Panelist: American College of Surgeons, Annual Clinical Congress. Chicago, Illinois. October 21-16, 1979.

**13. Retained Duct Stone Disease**

Panelist: Contemporary Surgery Symposium. Chicago, Illinois. October 22, 1979.

**14. Splenectomy or Splenic Salvage?**

Moderator: Contemporary Surgery Symposium. Chicago, Illinois. October 22, 1979.

**15. Senior Author Panel**

Panelist: American College of Surgeons, Southern California Chapter, Annual Meeting. Rancho Mirage, California. January 18-20, 1980.

**16. Recruitment and Selection of Residents**

Panelist: American College of Surgeons, Annual Clinical Congress. Atlanta, Georgia. October 19-24, 1980.

**17. Right Upper Quadrant Pain and/or Jaundice**

Moderator: Radiology for Clinicians - 1980. Cedars-Sinai Medical Center, Department of Medical Education and Diagnostic Radiology. Los Angeles, California. November 1, 1980.

**18. Panel**

Moderator: Twelfth Annual Surgical Congress, Orange County Surgical Society. Newport Beach, California. November 18, 1980.

**19. Senior Author Panel**

Moderator: American College of Surgeons, Southern California Chapter, Annual Meeting. Santa Barbara, California. January 23-25, 1981.

**20. Panel Discussion**

Panelist: The Sixth Annual Clarence E. Stafford Memorial Surgical Symposium and Lecture, White Memorial Medical Center and Loma Linda University School of Medicine. Los Angeles, California. May 3-4, 1981.

**21. Colonic Diverticulitis**

Moderator: American College of Surgeons, Annual Clinical Congress. San Francisco, California. October 11-16, 1981.

**22. Incidence of Sepsis and Mortality Following Splenectomy in Rochester, Minnesota (P Schwartz)**

Discussant: American College of Surgeons, Annual Clinical Congress. San Francisco, California. October 11-16, 1981.

**23. Senior Author Panel**

Panelist: American College of Surgeons, Southern California Chapter, Annual Meeting. Newport Beach, California. January 22-24, 1982.

**24. Senior Author**

Moderator: American College of Surgeons, Southern California Chapter, Annual Meeting. Rancho Mirage, California. January 14-16, 1983.

**25. Senior Author Panel**

Panelist: American College of Surgeons, Southern California Chapter, Annual Meeting. Santa Barbara, California. January 27-29, 1984.

**26. Senior Author Panel**

Panelist: American College of Surgeons, Southern California Chapter, Annual Meeting. Coronado, California. January 18-20, 1985.

**27. Post Traumatic Sepsis**

Panelist: Pan-Pacific Surgical Association. 18th Congress. Honolulu, Hawaii . January 11-17, 1986.

**28. Roundtable Luncheon**

Moderator: Orange County Surgical Society. 18th Annual Surgical Congress. Newport Beach, California. November 12, 1986.

**29. Senior Author Panels**

Panelist: American College of Surgeons, Southern California Chapter, Annual Meeting. Santa Barbara, California. January 16-18, 1987.

**30. Senior Author Panels**

Panelist: American College of Surgeons, Southern California Chapter, Annual Meeting. Newport Beach, California. January 22-24, 1988.

**31. Senior Author Panels - Colorectal Injury: Pancreatic and duodenal injury.**

Panelist: 34th World Congress of Surgery of the ISS/SIC and the 12th World Congress of CICD (International Surgical Week), Stockholm, Sweden. August 25-31, 1991.

**32.** Senior Author Panels

Moderator: 3<sup>rd</sup> World Congress of the International Hepato-Pancreato-Biliary Association, Madrid, Spain. May 24-28, 1998.

**33.** Universal Coverage vs. Medical Exclusion for Morbid Obesity

Panelist: Society of American Gastrointestinal Endoscopic Surgeons and International Pediatric Endosurgery Group (SAGES and IPEG), Los Angeles, California. March 13, 2003.

**FILMS, EXHIBITS AND TAPES**

1. The Circumferential Small Bowel Ulcer

Scientific Exhibit: American Medical Association Convention. June, 1965.  
Scientific Exhibit: California Medical Association. March 1966.

2. Subtotal Splenectomy in Myelofibrosis

Film: American Medical Association Convention. June 1965.  
Film: American College of Surgeons, Annual Clinical Congress. Atlantic City, New Jersey. October 1965 (In ACS Film Library)

3. "In Vivo" Staining of the Parathyroid Glands and Pancreas (L Morgenstern, R Hurvitz and S Perzik)

Scientific Exhibit: American College of Surgeons, Annual Clinical Congress, Chicago, Illinois. October 1967.

4. Splenectomy: Implications and Innovations

Scientific Exhibit: American College of Surgeons, Annual Clinical Congress. Chicago, Illinois. October 1967.

5. Carcinoma of the Gastric Stump: An Annotated Bibliography (L Morgenstern, T Yamakawa and S Shapiro)

Scientific Exhibit: American College of Surgeons, Annual Clinical Congress. Chicago, Illinois. October 1970.

6. Excision of Adenoma, Head of Pancreas, and Distal Pancreatectomy for Islet Cell Adenomatosis (L Morgenstern and S Shapiro).

Film: American College of Surgeons, Annual Clinical Congress. San Francisco, California. October 1972.

7. History of Splenic Surgery

Scientific Exhibit: American College of Surgeons, Annual Clinical Congress. Miami Beach, Florida. October 1974.

8. Postoperative Jaundice

Tape In: Today's Surgery. WB Saunders Co, May 1975.

9. Microcrystalline Collagen for Topical Hemostasis (L Morgenstern and SL Michel)

Scientific Exhibit: American College of Surgeons, Annual Clinical Congress. San Francisco, California. October 1975.

10. Splenectomy for Massive Splenomegaly

Film: American College of Surgeons, Annual Clinical Congress. San Francisco, California. October 1975.

11. Target Rectosigmoid Biopsy with a New Rectosigmoidoscope (G Berci, L Morgenstern and R Baumgartner)

Illinois. October 11-15, 1976.

12. Laparoscopy in Hepatology and General Surgery (G Berci, L Morgenstern, D Jensen)

Film: American College of Surgeons, Annual Clinical Congress. San Francisco, California. October 16-20, 1978.

13. Resection of Splenic Cyst Without Splenectomy

Film: American College of Surgeons, Annual Clinical Congress. San Francisco, California. October 16-20, 1978.

14. Conservative Approach to Splenic Surgery (L Morgenstern and SJ Shapiro)

Scientific Exhibit: American College of Surgeons, Annual Clinical Congress. San Francisco, California. October 16-20, 1978.  
Scientific Exhibit: California Medical Association, Annual Scientific Assembly. Los Angeles, California. March 9-12, 1979.

15. Massive Polycystic Disease of the Liver

Film: Collegium Internationale Chirurgiae Digestivae, Sixth World Congress. Lisbon, Portugal. September 15-19, 1980.

16. Resection of Splenic Cyst Without Splenectomy

Film: Hospital de la Santa Cruz y San Pablo. Barcelona, Spain. September 29-30, 1980.

17. Major Steps in Elective Splenectomy

Film: American College of Surgeons, Annual Clinical Congress. San Francisco, California. October 11-16, 1981.

18. Surgical Treatment of Nonparasitic Splenic Cysts (L Morgenstern, SJ Shapiro and S Gleichman)

Scientific Exhibit: American College of Surgeons, Annual Clinical Congress. San Francisco, California. October 11-16, 1981.

Scientific Exhibit: California Medical Association, Annual Scientific Assembly. Anaheim, California. March 12-17, 1982.

19. Emergency Mini-Laparoscopy (G Berci, D Dunkelman, SL Michel, L Morgenstern)

Scientific Exhibit: California Medical Association, Annual Scientific Assembly. Anaheim, California. March 12-17, 1982.
