Education:

9/90-6/94: B.S. Biological Sciences, Stanford University, Palo Alto, CA.
9/94-6/98: M.D. University of California San Diego, San Diego, CA.

Postgraduate Training:

6/98-6/99: Intern, Department of Surgery, University of Minnesota, Minneapolis, Minnesota.
7/99-6/04: Resident, Department of Neurosurgery, University of Minnesota, Minneapolis, Minnesota.

Positions:

7/04-present: Attending Neurosurgeon
Maxine Dunitz Neurosurgical Institute
Cedars-Sinai Medical Center
Los Angeles, CA

Licensure:

6/00-present: Minnesota State Medical License (43286)
11/03-present: California State Medical License (A85091)

Professional Memberships:

7/00-present: American Association of Neurological Surgeons
7/00-present: Congress of Neurological Surgeons
11/08-present: Society for Neuro-Oncology

Activities/Positions:

9/92-6/93: Biological Sciences Core Laboratory Teaching Assistant at Stanford University
9/93-6/94: Biological Sciences Core Laboratory Senior Teaching Assistant at Stanford University
9/97-6/98: Anatomy Course Instructor at University of California San Diego School of Medicine

- 9/01-8/02: Fairview-University Medical Center Graduate Medical Education Committee
- 12/02-12/03: Fairview-University Medical Center Operating Room Committee
- 1/05-present: Institutional Review Board Member at Cedars-Sinai Medical Center
- 4/08- present: CS-Link physician advisory board (hospital electronic medical record system)
- 3/10-present: Neurosurgery Trauma Liaison

Honors:

- 2003 University of Minnesota Best Performance American Board of Neurological Surgery In-Training Written Examination
- 2007 Listed with America's Top Surgeons
- 2008- present Listed with LA magazine's Super Doctors

Research:

- Clinical trials for brain tumors.
New surgical technologies.
