POLICY ON DISCLOSURE
It is the policy of Cedars-Sinai Medical Center to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. Cedars-Sinai Medical Center assesses conflict of interest with its faculty, planners and managers of CME activities. Conflicts of interest that are identified are resolved by reviewing that presenter’s content for fair balance and absence of bias, scientific objectivity of studies utilized in this activity, and patient care recommendations.

While Cedars-Sinai Medical Center endeavors to review faculty content, it remains the obligation of each physician or other healthcare practitioner to determine the applicability or relevance of the information provided from this course in his or her own practice.

In accordance with the policy of Cedars-Sinai, faculty are asked to disclose any affiliation or financial interest that may affect the content of their presentations. The presenting faculty, Dr. Lehman has no real or apparent conflicts to report.

RSS Co-Directors, Dr. Kurlen Payton and Dr. Shervin Rabizadeh, have no real or apparent conflicts to report.
