

**CEDARS-SINAI MEDICAL CENTER.**  
**Exceptional Palliative Care Opportunities**

Cedars-Sinai Medical Center's Palliative Care Services team is widely respected for providing expert interdisciplinary, caring consultations for inpatients and families facing life limiting and end-of-life situations. Our growing program is known throughout the Los Angeles area for advancing Palliative Care, whether life-prolonging or curative in nature.

Program focus is on the relief of a full range of symptoms, including physical and psychological to help patients through a difficult time as compassionately as possible. This support complements and is available simultaneously with all other appropriate treatments during any stage of illness. The Palliative Care team works to augment bedside management of pain and distress of highly symptomatic and complex cases while supporting the treatment plan of the attending physician.

We have several outstanding opportunities for Palliative Care faculty members. Qualifications must include:

- Graduate of an accredited medical school
- Fellowship training in Hospice and Palliative Medicine
- Preferred two years experience working in Palliative Care
- Must be BC/BE in appropriate speciality/sub-speciality
- Must qualify and maintain medical staff membership at Cedars-Sinai Medical Center
- Must hold a current license for the practice of medicine in the State of California
- Demonstrated understanding and acceptance of hospice principles of care

If you are interested in this opportunity, please send your curriculum vitae, at least three references, and statement of strategic vision to: Dr. Parag Bharadwaj c/o Patricia.Carson@cshs.org
