Course Description

This is the fifteenth annual teaching conference held in cooperation with three major endoscopy centers in North America. This course will be an intensive and comprehensive review of pancreatic and biliary endoscopy for gastroenterologists, gastroenterology fellows and gastroenterology nurses. Balanced viewpoints, special techniques and practical clinical approaches will be presented throughout the program. Our renowned international faculty bring unique knowledge and excitement from Europe, Asia, and North America.

This year's special features include:

- Eleven and a half hours of ERCP procedure demonstrations, telecast live at Cedars-Sinai Medical Center
- Nineteen clinically coherent and carefully chosen didactic topics
- Concurrent hands-on workshop
- Current literature review
- Ample time for questions and discussion throughout the program
- Case conference to apply technical skill to challenging clinical scenarios
- Concurrent GI Fellows' Program
- Bonus Session for GI Fellows & Nurses

Educational Objectives

- Adopt the latest evidence-based recommendations on ERCP in order to improve patient outcomes
- Minimize risks of ERCP and properly manage its complications by utilizing special knowledge and proper precautions
- Obtain positive ERCP outcomes by recognizing a large array of conditions and special anatomy and by utilizing special endoscopic equipment when appropriate
- Approach pancreatitis in a systematic manner to identify the etiology and manage specific issues by integrating the latest medical and technical advances

Statement of Need

ERCP is a highly technical procedure that is continually modified by changing technologies and new applications. This annual symposium is needed to refresh and update GI practitioners on their cognitive and technical knowledge of pancreatic and biliary endoscopy.

Accreditation

Cedars-Sinai Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

Cedars-Sinai Medical Center designates this educational activity for a maximum of 20.25 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing CEU Credit

The California State Board of Registered Nursing accepts courses approved by the ACCME for category 1 credit as meeting the continuing education requirements for license renewal. Most other State Boards do as well. If you have additional questions, please contact your State Board.

Acknowledgment

This CME activity is made possible through the support of manufacturers of pharmaceutical and endoscopic products who will be acknowledged in the syllabus.

We would like to thank Boston Scientific, Cook Endoscopy, Olympus America and Fujinon, Inc. for special technical assistance.

Special Thanks

Special thanks for their generous assistance to the Nursing and Administrative staffs of the CSMC GI Lab and Pancreaticobiliary Service.

Hotel Information

CSMC has arranged for a block of rooms at the Sofitel Los Angeles at a special conference rate of \$229 per night, plus tax.

All rooms at the Sofitel Los Angeles feature up-to-the minute technology, including 32-inch plasma televisions and laptop connections. Bathrooms feature oversized enclosed rain showers with Switchlite glass panels. Suites include Bose stereo systems, walk-in closets and large soaking tubs with televisions. Every room has a simple-to-operate, pre-programmed alarm clock with mp3 player connections. The room block and special rate are available until 12/29/07, at which time the conference rate can no longer be guaranteed. There are instances where the room block sells out prior to the cut-off date. Please register for the conference and make your hotel reservations early.

To make reservations, call (800) 521-7772 or (310) 278-5444 by 12/29/07. Mention that you are attending the Pancreatic & Biliary Endoscopy Symposium in order to receive the special rate of \$229 per night, single or double. After December 29th, the special group rate is not guaranteed.

Sofitel Los Angeles is within walking distance to Cedars-Sinai Medical Center.
