

## Selected Publications on Reproductive Medicine

1. Azziz R. Determining the cause of hirsutism and anovulation. *Contemp Obstet Gynecol* 31(5):126-139, 1988.
2. Azziz R, Gay F. The treatment of hyperandrogenism with oral contraceptives. *Seminars in Reproductive Endocrinology* 7:246-254, 1989.
3. Azziz R. Reproductive endocrinologic alterations in female asymptomatic obesity. *Fertil Steril* 52:703-725, 1989.
4. Azziz R, Zacur HA. 21-Hydroxylase deficiency in female hyperandrogenemia: Screening and diagnosis. *J Clin Endocrinol Metab* 69:577-584, 1989.
5. Azziz R, Boots LR, Parker Jr CR, Bradley Jr E, Zacur HA. 11 $\beta$ -hydroxylase deficiency in hyperandrogenism. *Fertil Steril* 55:733-741, 1991.
6. Azziz R. Androgen excess, in Schlaff WD, Rock JA, eds. *Decision Making in Reproductive Endocrinology*. Blackwell Scientific Publications, Boston, MA, pp 246-253, 1993.
7. Azziz R. The role of the ovary in the genesis of hyperandrogenism, in Adashi EY, Leung PCK, eds: *The Ovary*. Raven Press, New York, NY, pp 581-605, 1993.
8. Azziz R, Dewailly D, Owerbach D. Non-classic adrenal hyperplasia: Current concepts. *J Clin Endocrinol Metab* 78:810-815, 1994.
9. Azziz R, Zacur HA. The hyperandrogenic chronic anovulatory syndrome (A.K.A. The polycystic ovary syndrome), in Wallach EE, Zacur HA, eds: *Reproductive Medicine and Surgery*. Mosby-Year Book, Inc., St. Louis, MO., 1995.
10. Azziz R. PCO: The adrenal connection, in Adashi EY, Rock JA, Rosenwaks Z, eds: *Reproductive Endocrinology, Surgery, and Technology*. Raven Press, New York, NY., 1995.
11. Azziz R. 21-Hydroxylase deficient non-classic adrenal hyperplasia. *The Endocrinologist* 5:297-303, 1995.
12. Knochenhauer ES, Azziz R. Current advances in the diagnosis and treatment of the hirsute patient. *Current Opinion in Obstetrics and Gynecology* 7:344-350, 1995.
13. Azziz R, Ochoa TM, Bradley Jr EL, Potter HD, Boots LR. Leuprolide and estrogen versus oral contraceptive pills for the treatment of hirsutism: A prospective randomized study. *J Clin Endocrinol Metab* 80: 3406-3411, 1995.
14. Azziz R. Demystifying fallacies surrounding non-classic adrenal hyperplasia. *Contemp Ob Gyn* 41: 109-131, 1996.
15. Allen SE, Potter HD, Azziz R. Prevalence of hyperandrogenemia among nonhirsute oligo-ovulatory women. *Fertil Steril* 67:569-572, 1997.
16. Slayden SM, Azziz R. The role of androgen excess in acne, in Azziz R, Nestler JE, Dewailly D, eds. *Androgen Excess Disorders in Women*. Lippincott-Raven Pub., Philadelphia, Pa, 1997, pp.131-140.
17. Azziz R, Carmina E. Idiopathic hirsutism: Definition, prevalence and inheritance, in Azziz R, Nestler JE, Dewailly D, eds. *Androgen Excess Disorders in Women*. Lippincott-Raven Pub., Philadelphia, Pa, 1997, pp.529-534.
18. Gower BA, Azziz R. Endocrine alterations in female obesity, in Carr BR, Blackwell RE, eds: *Textbook of Reproductive Medicine - Second Edition*, Appleton & Lange, Norwalk, CT, 1998, pp. 425-453.
19. Speroff L, Azziz R, Dunaif A, Guidice LC, Sobel BE. Diagnosis and management of polycystic ovary syndrome. *Contemporary OB/GYN*, July 1998 Supplement.
20. Boots LR, Potter S, Potter HD, Azziz R. Measurement of total serum testosterone levels using commercially available kits: High degree of between-kit variability. *Fertil Steril* 69:286-92, 1998.
21. Azziz R, Waggoner WT, Ochoa T, Knochenhauer ES, Boots LR. Idiopathic hirsutism: An uncommon cause of hirsutism in Alabama. *Fertil Steril* 70: 274-8, 1998.
22. Kahsar-Miller M, Azziz R. The development of the polycystic ovary syndrome: Family history as a risk factor. *Trends in Endocrinology and Metabolism* 9:55-61, 1998.

23. Knochenhauer ES, Key TJ, Kahsar-Miller M, Waggoner W, Boots LR, Azziz R. Prevalence of the polycystic ovary syndrome in unselected Black and White women of the Southeastern United States: A prospective study. *J Clin Endocrinol Metab* 83:3078-3082, 1998.
24. Kahsar-Miller M, Azziz R. Heritability and the risk of developing androgen excess. *J Steroid Biochem Mol Biol* 69:261-268, 1999.
25. Farah L, Lazenby AJ, Boots LR, Azziz R, and the Alabama Professional Electrology Association Study Group. Prevalence of the polycystic ovary syndrome among women seeking treatment from community electrologists. *J Reprod Med* 44:870-4, 1999.
26. Azziz R, Hincapie LA, Knochenhauer ES, Dewailly D, Fox L, Boots LR. Screening for 21-hydroxylase deficient non-classic adrenal hyperplasia among hyperandrogenic women: A prospective study. *Fertil Steril* 72:915-25, 1999.
27. Waggoner W, Boots LR, Azziz R. Total testosterone and DHEAS levels as predictors of androgen-secreting neoplasms: A populational study. *Gynecol Endocrinol* 13:1-7, 1999.
28. Farah L, Azziz R. The polycystic ovary syndrome. *The Female Patient* 24:79-85, 1999.
29. Azziz R. Hirsutism in the pediatric or adolescent patient, in Carpenter SEK, Rock JA, eds *Pediatric and Adolescent Gynecology - Second Edition*, Lippincott-Raven Publishers, New York, NY. 2000:253-280.
30. Azziz R. Hirsutism, in Sciarra JJ, Dilts PV, eds. *Gynecology and Obstetrics: Endocrinology, infertility, genetics*. Lippincott-Raven Pub., Philadelphia, PA, 2000.
31. Azziz R, Carmina E, Sawaya ME. Idiopathic hirsutism. *Endocrine Reviews* 21:347-362, 2000.
32. Romaguera J, Moran C, Diaz-Montes TP, Cruz RI, Boots LR, Azziz R. Prevalence of 21-hydroxylase deficient non-classic adrenal hyperplasia and insulin resistance among hirsute women from Puerto Rico. *Fertil Steril* 74:59-62, 2000.
33. Azziz R. The time has come to simplify the evaluation of the hirsute patient. *Fertil Steril* 74:870-872, 2000.
34. Kahsar-Miller M, Nixon C, Boots LR, Go RCP, Azziz R. Prevalence of the polycystic ovary syndrome (PCOS) among first degree relatives of patients with PCOS. *Fertil Steril* 75:53-8, 2000.
35. Kahsar-Miller M, Azziz R, Feingold E, Witchel SF. A variant of the glucocorticoid receptor gene is not associated with adrenal androgen excess in the polycystic ovary syndrome. *Fertil Steril* 74:1237-1240, 2000.
36. Azziz R, Ehrmann D, Legro RS, Whitcomb RW, Fereshetian AG, O'Keefe M, Ghazzi MN, for the PCOS/Troglitazone Study Group. Troglitazone improves ovulation and hirsutism in the polycystic ovary syndrome: A multicenter, double blind, placebo-controlled trial. *J Clin Endocrinol Metab* 86:1626-32, 2001.
37. Moran C, Huerta R, Conway-Myers BA, Hines GA, Azziz R. Altered autophosphorylation of the insulin receptor in the ovary of a woman with polycystic ovary syndrome. *Fertil Steril* 75:625-8, 2001.
38. Azziz R, Ehrmann DA, Legro RS, Fereshetian AG, O'Keefe M, Ghazzi MN. Authors' response: roglitazone use in polycystic ovary syndrome. *J Clin Endocrinol Metab* 86:5090-1, 2001.
39. Sánchez LA, Morán C, Reyna R, Ochoa T, Boots LR, Azziz R. Adrenal progestogen and androgen production in 21-hydroxylase deficient non-classic adrenal hyperplasia is partially independent of ACTH stimulation. *Fertil Steril* 77:750-3, 2002.
40. Jeffress J, Azziz R, Adamson D, Rebar R. Isn't it time to demand public disclosure of health insurance benefits? *Fertil Steril* 77:216-7, 2002.
41. Sanchez LA, Perez M, Azziz R. Laser hair reduction in the hirsute patient: A critical assessment. *Hum Reprod* 8:169-181, 2002.
42. Woods KS, Reyna R, Azziz R. The effect of oral micronized progesterone on androgens levels in women with the polycystic ovary syndrome. *Fertil Steril* 77:1125-7, 2002.
43. Ovalle F, Azziz R. Insulin resistance, the polycystic ovary syndrome, and type 2 diabetes mellitus. *Fertil Steril* 77:1095-105, 2002.
44. Legro RS, Azziz R, Ehrmann DA, Fereshetian A, O'Keefe M, Ghazzi MN, for the Troglitazone/PCOS Study Group. Lack of response of dyslipidemia in PCOS to improvement in insulin sensitivity. The 83rd Annual Meeting of The Endocrine Society, Denver, CO, June 20-23, 2001 (Abstract OR-32-3).

45. Knochenhauer ES, Sanchez LA, Azziz R. The different phenotypes of the polycystic ovary syndrome (PCOS). The Annual Meeting of the American Society for Reproductive Medicine, Orlando, FL, October 20-25, 2001 (Abstract P-294). Fertil Steril 76:S208 (Supplement), 2001.
46. Sanchez LA, Knochenhauer ES, Gatlin R, Moran C, Azziz R. Differential diagnosis of clinically evident hyperandrogenism: Experience with over 1000 consecutive patients. The Annual Meeting of the American Society for Reproductive Medicine, Orlando, FL, October 20-25, 2001 (Abstract O-294). Fertil Steril 76:S111 (Supplement), 2001.
47. Farah L, Reyna R, Knochenhauer ES, Bartolucci AA, Azziz R. The association of glucose effectiveness and adrenocortical biosynthesis in the polycystic ovary syndrome (PCOS). The 84th Annual Meeting of The Endocrine Society, San Francisco, CA, June 19-22, 2002, P2-619.
48. Knochenhauer ES, Sanchez L, Azziz R. Determinants of hirsutism in hyperandrogenic women. The 84th Annual Meeting of The Endocrine Society, San Francisco, CA, June 19-22, 2002, P2-631.
49. Stephens K, Taylor K, Azziz R. Long-term outcome of suppressive therapy in hyperandrogenic patients. The 84th Annual Meeting of The Endocrine Society, San Francisco, CA, June 19-22, 2002, P2-639.
50. Woods KS, Knochenhauer ES, Reyna R, Key TJ, Stephens KC, Azziz R. The prevalence of the polycystic ovary syndrome (PCOS) among 402 unselected consecutive premenopausal women. The 84th Annual Meeting of The Endocrine Society, San Francisco, CA, June 19-22, 2002, P2-626.
