

CEDARS-SINAI®

HEALTHCARE IMMERSION PROGRAM

Women's Guild Simulation Center for Advanced Clinical Skills

Platinum Program Agenda – Day 1

7:30-8 a.m.	Registration and Breakfast
8-8:15 a.m.	Introduction
8:15-8:30 a.m.	Safely Caring for Patients: Communication and Human Factors
8:30-8:50 a.m.	Anatomy and Physiology Bootcamp: Maintaining Homeostasis Made Easy
8:50-9 a.m.	Break
	Workshop Rotations (30 minutes)
9:05-9:35 a.m.	Airway and Breathing Workshop: Learn How to Manage a Sick Patient's Airway (Basic and Advance Airway Techniques)
9:40-10:10 a.m.	Circulation Workshop: Understand the Anatomy of the Heart With Our Beating Heart Model and Virtual Cadaver
10:15-10:45 a.m.	Cardiopulmonary Resuscitation (CPR) Made Ridiculously Simple: Practice and Develop Your Resuscitation Skills
10:50-11:20 a.m.	Immersive Laparoscopic Surgical Experience Workshop: Technological Advancements in Surgical Procedures
11:25-11:55 a.m.	Immersive Trauma Surgical Procedure (Team Building Workshop) Goals: Problem-Solving and Decision-Making Skills, Interpersonal and Communication Skills, Teamwork Skills
Noon-12:30 p.m.	Lunch
12:35-13:05 pm.	3D Printing in Medicine Projects: Medical Device Innovations and Realistic Anatomical Models
1:10-1:45 p.m.	Virtual Reality: Use Virtual Surgical Simulators to Practice Hands-On Surgery (VR Room)
1:50-2 p.m.	Break
2-2:50 p.m.	Advanced Cardiac Life Support Made Extremely Simple: Pit Stop Challenge and Team Building Workshop
2:55-4:45 p.m.	Clinical Scenarios Putting It All Together Groups of Seven Candidates
4:45-5 p.m.	Evaluations and Close

CEDARS-SINAI®

Platinum Program Agenda – Day 2

7:30-8 a.m.	Registration and Breakfast
8-8:15 a.m.	Introduction
8:15-8:30 a.m.	Pediatric Considerations – Lecture
8:30-8:50 a.m.	Ethical Dilemmas in Healthcare – Lecture
8:50-9 a.m.	Break
	Workshop Rotations (30 minutes)
9:05-9:35 a.m.	Organ Donation (Ethical Dilemmas) Operating Room 1
9:40-10:10 a.m.	Dilatation and Evacuation (Ethical Dilemma) Skills Room 2
10:15-10:45 a.m.	End of Life Decisions (Ethical Dilemma) ICU
10:50-11:20 a.m.	Feeding Tubes (NG Tubes and Gastric Tubes) Hospice vs. Palliative Care
11:25-11:55 a.m.	Tracheostomy Care: Caring for Patients With Upper Airway Obstruction
Noon-12:30 p.m.	Lunch
12:35-1:05 p.m.	Pediatric Case Scenario: Management of Asthmatic Attack
13:10-1:45 p.m.	Pediatric Case Scenario: How to Help a Choking and Drowning Victim
13:50-2 p.m.	Break
2-2:30 p.m.	Pediatric Scenario: How to Help a Child Presenting With Seizures
2:35-2:50 p.m.	Labor and Delivery: Breech Delivery and Neonatal Resuscitation – Operating Room 2
2:50-3:20 p.m.	Virtual Reality – Perioperative Simulation (HTC System)
3:20-4:20 p.m.	Stop the Bleed
4:20-4:45 p.m.	Meet With Doctors, Nurses, Physical Therapist and Other Professionals to Discuss Careers in Healthcare
4:45-5 p.m.	Evaluations and Close
