

CEDARS-SINAI®

**EXCEPTIONAL NEUROMUSCULAR OPPORTUNITY**

Cedars-Sinai Medical Center, one of the nation's premier healthcare institutions, continues to expand faculty in the Department of Neurology. We are currently seeking an academic neuromuscular faculty member. Specific requirements for the position include a clinician who will handle a busy volume of EMG's, see neuromuscular patients and engage in clinical trials activity.

Candidates must be California licensed or license eligible and BE/BC in neuromuscular neurology, and qualified for appointment at the appropriate academic rank. Candidates should have an established track record in both clinical and investigative neuromuscular neurology or have an established or exceptional potential for a clinical and academic career. Candidates with established track records in research are encouraged to apply.

Academic appointment through the Cedars-Sinai professorial series is required and is also available through the David Geffen School of Medicine at the University of California Los Angeles. Cedars-Sinai Medical Center is committed to excellence in compassionate patient care, research, and community programs to improve the lives of patients. New faculty will join in implementing the department's strategic vision and will have access to cutting edge treatment modalities, and psychosocial and educational support to patients, families, and physicians.

If you are interested in this opportunity to join in an expanding Neurology team in a clinical and research environment, please send your CV, including names of 3 references, and statement of strategic vision to: Director of Neuromuscular, Dr. Robert Baloh or Director of EMG lab, Dr. Richard Lewis, c/o [Academic.Recruiting@cshs.org](mailto:Academic.Recruiting@cshs.org)

*Cedars-Sinai Medical Center seeks to find, develop and retain the best clinical and research faculty. We promote excellence through diversity and encourage all qualified applicants to apply.
