

EXCEPTIONAL NEUROVASCULAR FACULTY OPPORTUNITY

Cedars-Sinai Medical Center, one of the nation's premier healthcare institutions, continues to expand faculty in the Department of Neurology. We are currently seeking a nationally known leader in Vascular Neurology to join our internationally recognized stroke team. The successful candidate will join an exceptional peer group and contribute to enhancing a nationally recognized clinical and academic department. Cedars-Sinai is a Comprehensive Stroke Center and has achieved GWTG Gold Plus recognition for over 8 years. Among the busiest such Centers in the West, our severity adjusted outcomes are the best in California, and among the best in the United States.

The candidate should have completed an ACGME approved residency program in neurology as well as an approved fellowship in Vascular Neurology and be board certified or eligible in Vascular Neurology. Expertise in transcranial ultrasound is especially encouraged.

Candidates must be California licensed or license eligible, and qualified for appointment at the appropriate academic rank. Each candidate should have an established track record in both clinical and investigative neurology, and have an established or exceptional potential for a clinical academic career.

Academic appointment through the Cedars-Sinai professorial series. Application may also be made to the David Geffen School of Medicine at the University of California Los Angeles. Cedar-Sinai Medical Center is committed to excellence in compassionate patient care, research, and community programs to improve the lives of patients. New faculty will join in implementing the department's strategic vision and will have access to cutting edge treatment modalities, and psychosocial and educational support to patients, families, and physicians.

If you are interested in this opportunity to join an expanding Neurology team in a world-class clinical and research environment, please send your CV, and statement of strategic vision to: Dr. Patrick Lyden, Chair of Neurology, c/o patricia.carson@cshs.org.

Cedars-Sinai Medical Center seeks to find, develop and retain the best clinical and research Faculty. We promote excellence through diversity and encourage all qualified applicants to apply. We are an equal opportunity/affirmative action employer M/F/Vets/Disabled
