PHONE: (310) 423 5161 * E-MAIL: IMMedicalStudents@cshs.org

STUDENTS / PERIOD: max 2 min 1

DURATION: 3 weeks

Electives at Cedars-Sinai start in May. Please visit our VSLO catalog for dates and to submit your application.

Requirement(s)
1. USMLE Step 1 Score

Description
Students will perform GI consultations, make recommendations, and follow patients in the outpatient clinic and the hospital, supervised closely by Medical Residents, GI Fellows, and voluntary full-time Attending Gastroenterologists. The students will participate in all of the teaching activities of the GI Division.

Course Objectives
1. Knowledge of the pathogenesis and natural history, the orderly investigation, differential diagnosis and management of GI, hepatic, and nutritional diseases or problems.
2. Clinical skills: Medical interviewing, physical examination.
4. Medical record keeping (e.g., data collection and recording in appropriate format for writing consultations).
5. Oral presentations of clinical cases.
7. Learn indicators for GI endoscopic procedures.
