

Regional Cooperation for Health, Science and Technology Association Grants

International Visegrad Fund Grants

The International Visegrad Fund (IVF) provides grants to organizations around the globe to help promote closer cooperation among institutions and citizens. Four countries — called the Visegrad Group (V4) — founded the IVF: the Czech Republic, Hungary, the Republic of Poland and the Slovak Republic.

Summary of IVF Grants

2014

- Standard Grant ID 21420033: **Capacity building for innovation, science communication, grant writing in the Visegrad Four and neighboring countries**

2013

- Standard Grant ID 21320181: **Continuity and sustainability of cross-Atlantic life science collaborations in the Visegrad Four countries**

2012

- Standard Grant ID 21250023: **Prevention of preterm birth in the Visegrad group and Eastern Partnership (EaP) countries**

2011

- Standard Grant ID 31110035: **Future of Visegrad Four families depends on healthy women and children**
- Standard Grant ID 21110096: **Network in Visegrad Four for translational and nanotechnology research for cancer**

2010

- Standard Grant ID 21010083: **Women's health and cardiovascular diseases in the Visegrad Four and the neighboring countries**
- Standard Grant ID 21010070: **Biosecurity, dual use of biotechnology in the Visegrad Four and the neighboring countries**
- Standard Grant ID 21020052: **Animal care and use in research in the Visegrad Four countries**

2009

- Standard Grant ID 20920001: **Genome-wide search leading to preterm birth in Visegrad Four and neighboring countries**

- Standard Grant ID: 20910138: **Train the trainers: train the clinical trial site coordinators in the Visegrad Four countries**
- Standard Grant ID 20920002: **Enhance competitiveness in pharmaceutical research and improve pharmacy education in the Visegrad Four countries**
- Standard Grant ID 20920023: **Investigator-initiated clinical research in the Visegrad Four and the neighboring countries**
- Standard Grant ID 20920024: **Research network for women's health and cardiovascular diseases in the Visegrad Four countries**

2008

- Standard Grant ID 20820016: **Bridges in Life Sciences Visegrad Four regional networking and exchange for EU- and NIH-funded research projects**
- Standard Grant ID 20810243: **Visegrad Four cooperation to prevent preterm birth, low birth weight and intrauterine growth restriction**
- Standard Grant ID 20820040: **Dissemination of best practice in clinical trial management in the Visegrad Four countries**
- Standard Grant ID 20820041: **Scientific networking and exchange for international genome-wide search leading to preterm birth in Visegrad Four (INTERGENE PTB)**
